42nd Annual Convention

March 6-9, 2024

Town and Country Resort | San Diego, CA

The Dermatology Nurses' Association is a professional nursing organization comprised of a diverse group of individuals committed to quality care through sharing knowledge and expertise. The core purpose of the DNA is to promote excellence in dermatologic care. Members work with board certified dermatologists in offices, outpatient facilities, hospitals, and other settings where patients need dermatology care.

We are pleased to invite you to exhibit during the DNA 2024 Annual Convention to be held March 6-9, 2024 at the Town and Country Resort in San Diego, CA. We anticipate more than 300 dermatology nurse professionals to attend live in San Diego.

As an exhibitor, you will have an outstanding opportunity to personally present your important sales and marketing message to hundreds of nurses who initiate product evaluations and who purchase products for use. If your products are used in the dermatology market, your participation with DNA is certain to benefit your sales and marketing program.

The exhibit schedule has been designed to provide the best time for nurses to view exhibits and speak with representatives about products and services. Take advantage of this opportunity to exhibit among dermatology nurses and increase your sales while you support the DNA! Join us in San Diego, CA!

Sincerely,
